ASIAN STREET FOOD

THE SPICE KIT STORY

Our founders were trained in fine dining, but they struck out on their own to bring Asian street food to America. Here at Spice Kit you can taste the flavors of China, Vietnam, Korea, and the Philippines. Trust us, you'll love it.

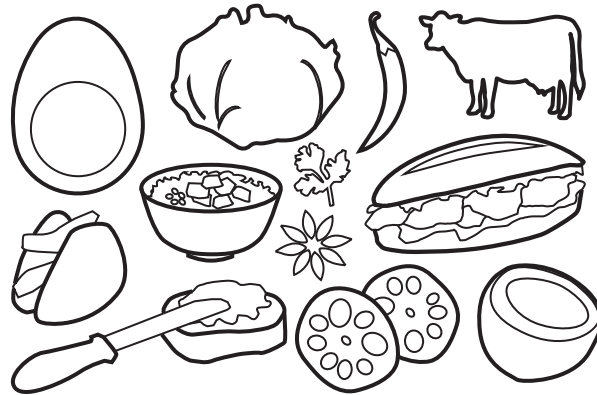

OUR TECHNIQUES & INGREDIENTS

SOUS VIDE

French for 'under vacuum,' a precise way of cooking that cooks meats to perfection and produces custardy eggs.

KIM CHI

We make our kimchi from scratch using a multi-day process that turns Napa cabbage, chilis and salted shrimp into a spicy, vibrant garnish for our Korean rice.

PÂTÉ

Made in house with naturally-raised pork and spices, making our French grandma proud. Add it to our sandwich for a traditional pairing!

LOTUS ROOT

Growing under water, the root of the lotus plant is harvested - which we peel, slice & fry into chips every day.

COCONUTS

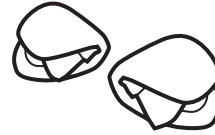

Our fresh coconut juice comes from coconuts we crack open ourselves each day.
